

PBI Tennis & Pickleball Program

November 1 , 2023 - April 30, 2024

Event Details

Pickleball

We're excited to adorn our eight new, dedicated pickleball courts with our brand new pickleball program and professionals. The nation's fastest-growing sport is definitely worth your while to try for the first time or to hone your skills through our clinics and round robin socials.

Player-Matching

We're very happy to be offering this service, post-pandemic. We will work very hard to find other guests or local players that can fill a singles or doubles game for you. Once you've arrived on-site, call us or come see us, and we'll get to work. With at least 24 hours' notice, if we can't find a game for you, we'll give you a complimentary half-hour on the ball machine (a \$25 value).

Grand Slam Round Robin

This fun doubles social gives you the rare opportunity to play on our hard, clay and grass tennis courts. You'll play at least once on each surface and make a bunch of new friends.

Thursdays, mid-November - mid-April

Tennis For Life Clinics

The PBI clinics have been the staple of our tennis program since 1987. Nearly 55,000 guests have participated in our clinics, which provide an incredible introduction to the simplest and most efficient teaching concepts in tennis. We DO NOT cancel clinics due to low attendance. Even one participant will receive instruction for a prorated amount of time. **Daily.**

Drill Sessions

Looking for a really good workout and a variety of drills and a lot of hitting? This is the event for you. Limited feeding by the professionals. We will devise drills based on what the participants tell us they want to practice, so each one is different. Intermediate is for 3.5 - 4.0 players. Advanced is for players 4.5 and better. **Daily**

Live Ball/Aerobic Tennis

This is also a drill session but with energetic music and a lot of feeding by the professionals. If you're looking for a workout and a whole lot of fun, join us twice a week for these events. **Twice weekly.**

Lawn Games

Great fun for the whole family. Come and enjoy these great games, played on a first-come, first-served basis. Try your hand at horseshoes, croquet, badminton, bocce, kubb and basketball. We've also got frisbees, soccer balls and a football to toss around on our lawns, and we're hoping to add more games soon!

Daily - \$5 for one game or \$15 for all games for the day.

Tennis Pro Shop

Come experience the latest racquets, shoes and clothes in our pro shop! Need your racquet strung or a new grip? We'll be happy to take care of that for you. Looking to reserve court time? Online reservations coming soon! call us at 760 341-1893.
