LINCOLN STEAKHOUSE & BAR

Mythic English cattle strain, the Lincoln Red — named for its characteristic cherry red coat and beautifully marbled meat — is the muse for this modern Arizona steakhouse. The breed's purity and heritage status inspire a bold destination serving up only the finest, freshest fare from near and far. A tried-and-true steakhouse with a 21st-century stance, here mainstays are made modern, and classics get a contemporary spin.

RITA'S CANTINA & BAR

Rita's channels the sultry energy of its namesake drink, the Margarita, which legend says was invented in honor of Mexican showgirl Rita de la Rosa, just two years after Camelback Inn opened. A desert original and local icon, Rita's genuinely complements the resort's 1930s-era casitas and offers fresh takes on traditional Mexican food and drink — with trademark flavor and flourish.

SPROUTS WELLNESS RESTAURANT

Unwind in lush landscapes and a serene atmosphere at Sprouts at the Spa. The restaurant offers an innovative, health-forward menu that features local cuisine and organic cocktails with a focus on fresh ingredients.

HOPPIN' JACK'S

Delight in healthy salads, a variety of sandwiches and burgers, and ice cream-creations — all surrounded by warm sunshine, steps from the Jackrabbit pool.

ACACIA

Overlooking the Padre course at our expansive Camelback Golf Club, Acacia offers comforting American cuisine and a welcoming setting for lunch and cocktails.

STARBUCKS®

Whether you crave an energizing morning espresso or a refreshing afternoon green tea, your favorite specialty beverages are made to order by friendly Starbucks® baristas. Unplug with a light snack on the outdoor patio, stay connected with wireless internet or get cozy on a plush indoor armchair.

JW GARDEN

Our chef's gardens are planted with a bountiful variety of seasonal herbs, edible flowers, fruits and vegetables to be thoughtfully incorporated in our food and beverage offerings. We practice environmentally responsible, sustainable gardening and encourage our guests to learn more about their relationships with food through our culinary education experiences. Our JW Garden is a beautiful and serene space for intimate gatherings that offers guests a mindful connection to the natural world.

BUTTERFLY GARDEN

Experience our beautiful habitat for the Queen butterfly, with plants and flowers that attract, feed and provide a safe space for the four stages of life: egg, caterpillar (larval), chrysalis (pupal) and adult butterfly.

FITNESS CENTERS

Designed to encourage overall health and physical nourishment, the resort offers two state-of-the-art gyms featuring cardiovascular and strength-training equipment, free weights and areas for stretching and body work.

The resort fitness center is located at the Jackrabbit Pool Complex. The Spa fitness center is available to spa guests, and to resort guests for a daily fee, and offers group exercise classes and personal training. Outdoor fitness at the resort includes hiking, biking and walking trails, tennis, golf and swimming.

THE SPA AT CAMELBACK INN

With its secluded mountainside location, The Spa at Camelback Inn is a destination that harnesses the therapeutic benefits of the desert, allowing guests to connect with the serenity and beauty of the natural world. A life-altering energy revitalizes mind, body and soul, encouraging guests to be fully present. Indigenous rituals provide a spiritual awakening to promote balance and focus. Each experience is orchestrated by warm and friendly staff that guide guests on a holistic wellness journey, leaving them feeling nourished in body and replenished in spirit.

CAMELBACK GOLF CLUB

A short shuttle ride from the resort, Camelback Golf Club features 36 holes across two 18-hole championship courses: the Jason Straka-designed 7,221-yard Ambiente Course and 6,903-yard Padre Course. In a setting of rolling fairways and the foothills of Camelback Mountain, golfers will find calm in the natural beauty around them as they tee off a challenging round as punishing as it is rewarding. Gather at the 36,000-square-foot pueblo-style clubhouse and connect over lunch, snacks or drinks on the patio at Acacia Restaurant and Lounge with sweeping vista views. With its award-winning pro shop, driving range and practice greens, Camelback Golf Club is the ideal destination to take time for yourself to recharge.

RETAIL SHOPS

Discover our three distinctive resort retail shops: The Resort Shop offers gifts, clothing, jewelry, sundries and more. The Spa Boutique offers resort wear, specialty body, beauty and spa products, jewelry and more. The Golf Shop located at Camelback Golf Club offers golf clothing, shoes and equipment.

YOUR BUSINESS CENTER (YBC)

From printing to package handling, to event space branding — we can help with any business service and are conveniently located near all meeting facilities.

Please note that days of availability and hours of operation may vary and are subject to change.

For your convenience, you may use OpenTable to make reservations at any of our dining outlets.
