BELLPINE

The following menu is a compilation of wines from the Pacific Northwest and beyond, as well as local beers, hand-crafted cocktails, and an extensive spirits list.

We've selected what we feel to be the best representations of beverage from around the world. Our goal has been to curate a list of producers that uphold the same level of excellence we do at The Ritz-Carlton Portland. In doing so we hope this list allows you to create memories that are everlasting. While we have a selection of incredible wines and spirits from across the world, our focuses are on small family-owned producers, the hard to find and difficult to acquire, and lastly, the rarely known and yet to be explored.

Our list is constantly evolving and we can't wait to share what we discover from the valleys near and the regions afar. We are happy to offer our knowledge and make suggestions based on your preferences.

Our corkage policy is forty five dollars per 750ml bottle. We ask that each party limit outside bottles to two per evening.
